

NINJA[®] MULTI-TECH Nitrachem

Specialty Hand Protection

DESCRIPTION

Ninja[®] Multi-Tech Nitrachem is a flexible and durable chemical resistant gauntlet from the Ninja[®] Multi-Tech specialty range. It protects against hydrocarbons, grease and oils while providing long-lasting protection and abrasion resistance.

FEATURES

- **COATING** – The glove comes with heavy weight Nitrile coating
- **DEXTERITY** – A flexible, robust glove offering great dexterity with good resistance to tearing
- **LONG-LASTING GRIP** – Protects the hand from oils, hydrocarbons, grease and abrasion, with effective long-lasting grip
- **IMPERMEABLE** – For working in damp or greasy environments, enabling you to grip objects securely
- **EASY MOVEMENT** – Designed for easy movement and continuous wear
