

NON SAFETY

HIKING & CASUAL

IF YOU'RE GOING TO TAKE ON THE DAY FEET FIRST, DO IT IN COMFORT AND STYLE WITH OUR GUTSY HIKING AND CASUAL RANGE LEADING THE WAY.

NON-SAFETY ULTRA

The ULTRA provides the classic leather boot style for the trails or the footpath. The ULTRA is designed on the same platform as the BULLDOG but without the weight of the steel toecap. With a classic fit and function the ULTRA is perfect for the weekend.

NON-SAFETY PEAK

PEAK is a lace up boot perfect for long hikes on the trails. The cushioned Phylon midsole and a silicone gel innersole provides a smooth ride while the traction sole design provides grip on the rough and loose surfaces. The PEAK upper is designed to complement the shape and movement of the foot and ankle.
